

CREATE UI TO INTERACT WITH APPLICATION

Team ID	PNT2022TMID01341
Project Name	PERSONAL EXPENSE TRACKER APPLICATION

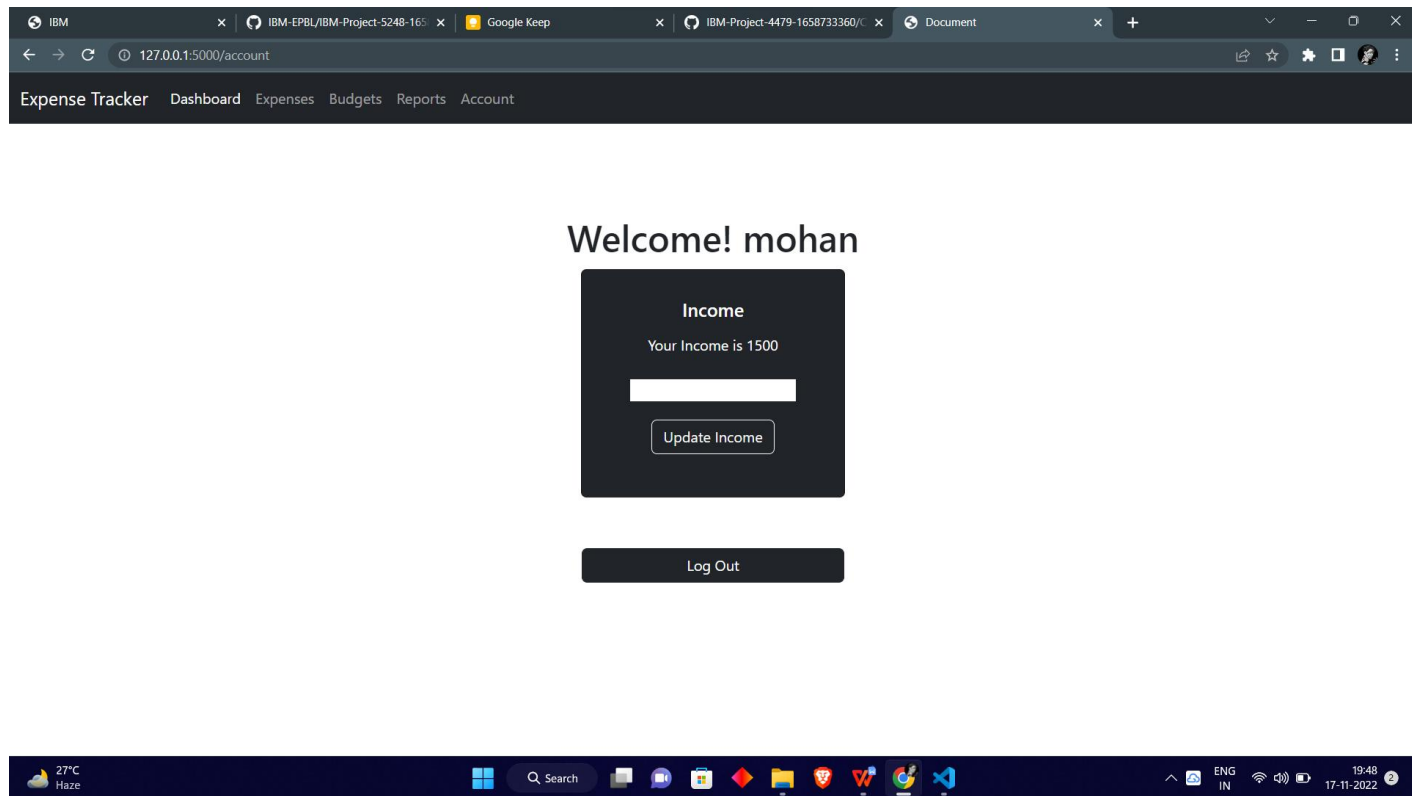

1. This is the Home Page of our buget app the user has to login to redirect to next page

2. The user can create an account using register page

3. The user has to navigate to the account page to logout or add their monthly income

4. Then in the budgets page, the user can create a budget for month

The screenshot shows a web browser window with the URL `127.0.0.1:5000/budgets`. The browser's address bar and tabs are visible at the top. Below the browser window, a navigation bar contains the following links: [Expense Tracker](#), [Dashboard](#), [Expenses](#), [Budgets](#), [Reports](#), and [Account](#).

The main content area displays the "Create a Budget" form. The form includes the following fields and sections:

- Budget Name:** A text input field containing the value "living".
- Budget Month:** A dropdown menu currently showing "November".
- Amount (Monthly):** A text input field containing the value "15000".
- Spending Categories:** A section containing three columns of input fields for different categories:
 - Groceries:** Input field with value "45".
 - DiningOut:** Input field with value "454".
 - Entertainment:** Input field with value "3453".
 - Housing:** Input field with value "453".
 - Shopping:** Input field with value "3543".
 - Others:** Input field with value "35".
 - Utilities:** Input field with value "0".
 - Travel:** Input field with value "0".
 - Savings:** Input field with value "0".
- Save:** A dark button located at the bottom right of the form.

The Windows taskbar is visible at the bottom of the screen, showing the system clock as 20:03 on 17-11-2022, along with various system icons and application shortcuts.

5.Once we click expense page , the user can add the expenses

The screenshot displays a web browser window with the URL `127.0.0.1:5000/expenses`. The browser's tab bar shows several open tabs, including 'IBM', 'IBM-EPBL/IBM-Project-5248-16', 'Google Keep', 'IBM-Project-4479-1658733360', and 'Document'. The application's navigation bar includes links for 'Expense Tracker', 'Dashboard', 'Expenses', 'Budgets', 'Reports', and 'Account'.

The main content area features a form titled 'Add Expenses'. The form contains the following fields:

- Description:** A text input field with the value 'outing'.
- Category:** A dropdown menu currently showing 'DiningOut'.
- Date:** A date picker showing '17-11-2022'.
- Amount:** A numeric input field with the value '1000'.

A 'Save' button is located at the bottom of the form.

Below the form is a section titled 'Expense History'. It contains a single message: 'Currently no expenses'.

The Windows taskbar at the bottom of the screen shows the system clock as 20:04 on 17-11-2022, along with weather information (27°C, Haze) and various application icons.

6.This is our dashboard he/she can start their journey of using our budget tracking app
